

# RESPONSE FILE:

**Query 1:** Where does the Dursley family live?

**Response:** The Dursley family lives in number four, Privet Drive. Mr. Dursley is a big, beefy man with nearly twice the usual amount of neck and a very large mustache. Mrs. Dursley is thin and blonde.

**Query 2:** Summarise Harry Potter and the Philosophers Stone.

**Response:** The book Philosophers Stone is a young adult fantasy novel by J.K. Rowling that follows the journey of protagonist Harry Potter as he learns to control his powers after discovering that he has magical heritage from his father and his mother. The story revolves around Harry's initiation into the Hogwarts School of Witchcraft and Wizardry, where he meets other students who have special abilities. They must also overcome challenges from Voldemort and his followers. Throughout the book, Rowling explores themes such as identity, sacrifice, friendship, and the struggle between good and evil. The novel has sold over 500 million copies worldwide and inspired multiple movies and TV series.

The protagonist Harry Potter is a first-year student at Hogwarts School of Witchcraft and Wizardry, where he learns to control his powers. The book follows Harry's journey as he uncovers that he has magical heritage from his mother, Lily, and father, James. However, Harry's newfound abilities also put him in danger and conflict with Voldemort and his followers. Rowling explores themes such as identity, sacrifice, friendship, and the struggle between good and evil through Harry's experience at Hogwarts and throughout the rest of the series.

**Query 3:** What are the four Hogwarts houses?

**Response:** The four Hogwart's houses in "Harry Potter and the Sorcerer's Stone" are Hufflepuff, Ravenclaw, Gryffindor, and Slytherin.

**Query 4:** What is the role of Albus Dumbledore in the series?

**Response:** Albus Dumbledore is primarily a supporting character who plays a minor role in the Harry Potter series and plays a vital part in Harry Potter and the Goblet of Fire. He is a character that readers come to know through his interactions with other characters, such as Draco Malfoy, Hermione Granger, and Snape. However, he is also an important figure in the plot of the book, specifically in relation to Harry Potter's journey towards becoming a wizard. He is known for his kindness and compassion, which serves to motivate Harry towards his goals. Throughout Goblet of Fire, Albus plays a pivotal role as Harry's protector and mentor, guiding him through difficult times and helping him come to terms with his own powers. However, as the story progresses, it becomes clear that Albus is not immune to Voldemort's power, and he ultimately sacrifices himself for Harry in a final showdown against Lord Voldemort. Overall, Albus serves to deepen Harry Potter's character development, highlighting the importance of loyalty, bravery, and selflessness.

**Query 5:** How does a wand choose its wizard?

**Response:** In response to the given text, the answer to how a wand chooses its wizard is by reflecting its misty eyes and imbuing itself with its owner's characteristics. The protagonist, Harry Potter, is said to have his father's favor for choosing the magical wand he now possesses. Mr. Ollivander, the shop owner, has come so close to Harry that he can see himself reflected in the lightning scar on Harry's forehead, indicating that his choice of wand reflects Harry's qualities and characteristics.
